

# SHED 2 SWIM COURSE

**750m Swim Course: (RED)** All swimmers will start on the shoreline adjacent to Pandora Road. They will swim towards Buoy #1, turn left at that buoy and swim towards Buoy #2 near the playground on the right hand side of this buoy, then head towards Buoy #3 which is directly opposite the Transition carpark. They will leave the water and run up the tyres towards Transition.

**NB: Buoy colours are only for map, they will be all the numbered on the day of the race.**

**200m Short Course Swim : (BLUE)** We walk you along the shoreline in front of the playground and you swim directly in line with the shoreline towards transition. If you are a non confident swimmer we suggest you stay close to the shoreline so you can stand at any time.
